

WHAT IS VEX?

The VEX Robotics Design System offers students an exciting platform for learning about areas rich with career opportunities spanning **Science, Technology, Engineering and Math (STEM)**. These are just a few of the many fields students can explore by creating with VEX Robotics technology. Beyond science and engineering principles, a VEX Robotics project encourages teamwork, leadership and problem solving among groups.

COST BREAKDOWN

Team Registrations.		\$125.00+\$50

	Worlds	\$1000.00
Robot Parts and Hardware.		\$3000.00
Coach bus to Worlds:		\$7000.00
Team Accommodations:		\$ ~1000.00

WHO ARE WE?

Lancebotics team 200 is an extracurricular robotics team comprised of approximately 25 **Leaside High School** students, a Teacher volunteer and numerous parent helpers. They compete in various competitions across Ontario and will be representing Canada internationally in Louisville, Kentucky. Team 200 is a rookie team, established in the fall of 2013, but with the support of our contributors and the Leaside community, we will have many successful years to come.

OUR VISION

To become a well-known, and respected organization within the Leaside community, promoting the hobby of robotics, and educating youth in Science, Technology, Engineering, and Mathematics while maintaining a fun and competitive environment.
